*Sophistication
and charm in the Cotswolds*

FINE DETAIL. FABULOUS DAY.

Forget for a minute that we have a stunning setting
in the heart of the Cotswolds.

Never mind that we jealously guard our reputation
for discreet style and quiet professionalism.

What matters most on your wedding day,
is that you can relax.

At least, that's what we believe at the Dormy House.

So we help you plan and prepare,
attending to all the fine detail that creates the atmosphere
and ambience you want for your wedding day.

This attention to detail is what makes us different.
And it will make your day.

FORMAL OR INFORMAL. FOR 15 OR 150.

Your wedding, your way.

Whether you wish to hold your ceremony here, or your celebrations following a Church or Register Office wedding we provide the perfect setting.

We can do classic, with everything carefully choreographed and Champagne all the way.

Or maybe a slightly different approach, with Bellinis to start and bacon sandwiches before midnight.

Whatever your preferred style, we can contribute ideas and suggestions that will enhance your celebrations.

For exclusive use and bespoke weddings, we agree prices with you depending on your programme.

For 'day' weddings, we offer Celebration packages at three price levels – see the inside back cover for the impressive checklist of everything included across all three packages. Just add together the room hire and Celebration cost, and you have an accurate idea of what your wedding at the Dormy House might cost.

NICE TO KNOW.
NEED TO KNOW.

Relax beforehand in our Moroccan suite...

... entertain your guests in winning style...

Flexibility is the order of your big day at the Dormy House. However, there are a couple of things you need to know... offset by rather more things that it's very nice to know.

... enjoy a morning-after stroll to Broadway Tower

What better way to start married life than with a complimentary night in a designer suite or traditional four-poster room at the Dormy House... hold your ceremony or wedding breakfast (minimum 20 guests) here, and that's our present to you.

We take care of your guests, too. Any who choose to stay over will be offered preferential room rates – £155 per room per night, including full English breakfast.

Antiques, arts and ales... Broadway and Chipping Campden are minutes away by car, whilst Stratford-upon-Avon is an easy 20 minute drive.

The music stops at midnight... but the bar stays open to residents till one... or two... or three...

If you're holding your marriage ceremony here, make sure you contact the Registrar as soon as you've chosen a date... call the Cheltenham Register Office on 01242 532455.

You and your guests can come out to play... golf, clay shooting, horse-riding, beauty treatments and pampering can all be arranged to help you chill and relax.

Sorry, no fireworks... it's a promise we've made to our neighbouring farmers and the adjoining golf club.

Let us entertain you... we can arrange anything from a caricaturist to a casino, whilst the stage in the Dormy Suite is brilliant for bands or even just the best man's speech.

A non-returnable deposit of £1,000 secures your chosen wedding date. No further payment is due until eight weeks before your wedding, when we ask for 75% of the estimated total cost.

Fancy getting married in January or February... you will when you hear our Winter wedding deal – ask about it!

COMPARE. AND CONTRAST.

Whichever Celebration package you choose, it includes all of the following.

We think this represents terrific value, and we invite you to compare our checklist against any other venue you may be considering.

Most importantly, your personal wedding co-ordinator is there to help plan the day of your dreams and then to ensure all goes according to that plan.
